

The Village Improvement Society of Dennis  
P.O. Box 779 Dennis, MA 02638

Founded 1902

**Driving on the grounds is prohibited** due to possible damage to the irrigation system.

Grounds must be free of litter at the **conclusion of your event**. (Not the next day). Trash pickup is not provided by the VIS.

Unless sanitary facilities are available, one handicap accessible portable toilet is required.

Use of **Soldier's Field** is at the discretion of the Society: **call to discuss**.

The Society requires the placement of **American flags**, approximately 12" x 18" along the Green running parallel to Route 6A and surrounding the circular driveway to eliminate any vehicle parking.

Any temporary structure (**tent, awning, booth, etc.**) may not be erected until Acorn Landscaping, 508 394-2144, has been contacted to "flag" the irrigation lines. It is your responsibility to assume any and all associated costs associated with identifying irrigation lines and **any subsequent damage incurred as a result of your use**.

**One sign**, not to exceed 12 sq.ft. may be displayed the day of the event.

A **Common Victual License**, obtained from the Dennis Health Department is required for any food served on site.

A police detail is required to assist with pedestrian safety and traffic flow.

**Public Address System** – Please contact us prior to your event if you want to use the PA system, and we will deliver the microphone and instruct you on proper procedure.

A non-refundable donation of \$250.00 **per day** is required, while the property is in use.

**Contact Information** – Carole W. Bell, 508 385-2175 or Kate Byron, 508 385-6000 or Judy November 508-385-4156 for additional questions.
